2020 CATALOG AND PRICE LIST

All-inclusive pricing: all prices are for **full day rentals**, and include:

- Local delivery in Rock Hill
- Cleaning and sanitizing
- Set-up and tear-down
- Taxes and insurance

No add-ons for extra hours. Sales tax is included. No charge for a COI if needed. Unlike many of our competitors, we will never add on any hidden charges. The price you see is the price you pay. Period.

Deposits and terms: Most reservations require a 20% (minimum \$50) deposit to take the unit out of inventory and reserve it. For some institutional rentals and regular customers, we may choose to waive that deposit requirement. The balance of the rental is due on delivery. A reservation may be cancelled at least 30 days before the scheduled event date with no penalty. After that time, reservations may be rescheduled with that deposit credited to the new booking or cancelled with forfeiture of that deposit. A waiver of the deposit does not relieve the renter of the burden for cancellation fees. In case of inclement weather, we will contact you before leaving the warehouse and give you the opportunity to cancel or reschedule your event. If at that time you choose to cancel, your deposit will be refunded.

SLIDES & OBSTACLES

Festival Slide - \$495

This deluxe slide is 24 ft. high with a single lane up and two super-fast sliding lanes going down. It is the perfect centerpiece to any festival. It can be manned by a single attendant, and includes a 5500 watt generator with a full tank of fuel (4 hours)

68-Foot Run - \$395

Two separate units can be connected together or set up separately. A 38' long dual lane obstacle course leads to a 16' high ladder-climbing wall and a large wide slide. Includes 7000W generator with a full tank of fuel.

Crazy Maze - \$395

Guests will be challenged to work through many obstacles, walls, rings, and tunnels before reaching the final two slides. This 26' square unit is perfect for festivals. We recommend two attendants for this unit; includes a 7000 watt generator with a full tank of fuel.

Tropical Run - \$395

This tropical-themed 68-foot run is actually two units that connect together (or can be set up separately). The 38' long obstacle course connects to a 16' tall climbing wall, finishing with an exciting slide! Includes 7000W generator with a full tank of fuel.

Boot Camp Run - \$395

This 55-foot run is actually two units that connect together or that can be set up separately. A 25-foot long double lane obstacle course connects to a 16-foot high ladder climbing wall with large wide slide. This package includes a 7000 watt generator with a full tank of gas.

Purple Crush Run

Unit 1 - \$250 | Unit 2 - \$450 | Both Units - \$600

This 73-foot run features two units that can be rented separately or together. The obstacle course (unit 1) culminates in a ladder climbing wall that leads to double lane slide (unit 2), either as a dry slide ending with a bumper wall, or as a water slide ending in a splash pool.

A 7000 watt generator with a full tank of gas is included.

85-foot Run - \$495

Three independent units that can connect together: a "three-in-one" combination unit features a 15 x 15-foot jumping area, Climbing wall and 12-foot high, 15-foot long slide that exits the left side of the unit.. The right side of the jumping area can be connected to a 25-foot long, double-lane obstacle course that also attaches to a 30-foot long, 20-foot high climbing wall and slide. 9000 watt generator included with a full tank of gas.

Super Ninja Run

Unit 1 - \$450 | Unit 2 - \$550 | Both Units - \$975

Our most challenging obstacle challenge is over 120 feet long, with slides, climbing walls, and a huge assortment of obstacles to make racing fun and exciting! Great for field day events and fundraisers!

Camouflage Run with 5-in-1 Combo - \$495

Similar to the primary-themed 85-foot run above, but in a camouflage theme, this run is actually three units that can stand alone or connect together: the "five-in-one" combo features a jumping area, climbing wall and slide that exits to the left. The right side of the jumping area can be connected to a double lane obstacle course that also attaches to a huge climbing wall and slide. Includes a 9000 watt generator with a full tank of gas.
